

Alaskan Malamute Club of America Top Twenty Rules

Board Approved: 03/15/2017 Effective for the 2017 event

INTRODUCTION: This event offers all that attend a chance to view the “cream of the crop”. Each entrant is evaluated individually in his/her relationship to the breed standard, using a scale of points. This procedure is not available at any AKC point show and allows each person in the audience to judge the entrants, using a score sheet at the same time the judges are scoring them.

The entrants are observed from a positive approach; they are not fault judged. The event promotes discussion of the standard, where ideas and views are exchanged. This event will be held at the National Specialty.

- I. STATISTICS AND ELIGIBILITY:** The 20 Alaskan Malamutes eligible for the Top 20 Event are based on the following:
- A. Top 20 Points are earned at any AKC All Breed Show, Limited Breed Show or any Independent Specialty Show where AKC points are awarded. The term “dog” herein shall refer to either dogs or bitches with no preference given. One point is awarded for each Alaskan Malamute defeated by going Best of Breed or Best of Opposite Sex to the Best of Breed. Tabulation of points will be compiled from the results published by AKC for the period commencing May 1 and continuing thru April 30th of each year. Corrections published by AKC after April 30th will not be considered.
 - B. Standings will be compiled bimonthly and a list of the Top 20 dogs will be announced in the AMCA Newsletter. Each primary owner of record, who has a dog in the Top 20, will receive e-mail notification of the bimonthly report. The primary owner may designate someone else to receive the standings by notifying the committee’s statistician. Any discrepancies in the final standings must be reported to the Top 20 Statistician before May 31st. All past winners who qualify for the current Top 20 are eligible to compete.
 - C. A dog is ineligible to compete in the Top 20 Event if ANY owner(s) of record is judging a conformation event (includes Sweepstakes and Futurity/Maturity) at the Regional or National Specialty which is held after the Top 20 Event.
 - D. A dog is ineligible to compete in the Top 20 Event if any owner(s) of record is suspended from AMCA or AKC (1) as of April 30th, the end of the qualifying year and/or (2) as of the date of the Top 20 Event. Refunds of entry fees will not be made if ANY owner of record is suspended after the entry fee has been paid.
- II. TROPHIES AND ROSETTES**
Each dog entered in the Top 20 Event will receive a rosette, being a minimum of two (2) feet in length. Each rosette shall have the entrant’s name, the date and place of the event and the name “AMCA Top 20 Event” imprinted. The AMCA Logo will be imprinted on the rosette button. The rosette may be any color other than that of Best of Breed, Best of Opposite Sex or Winners Dog/Bitch. A trophy will be presented to the winner. Any qualifying Top 20 owner of record shall have the right to order additional rosettes at a cost to be determined annually by the Top 20 committee. V. PREPARATION FOR JUDGE SELECTION

This inquiry will provide the pertinent information concerning date; time and place of event and copy of the AMCA Top 20 Rules. Judges and Handlers that return a favorable response by the established deadline will be provided with an electronic version of their appropriate category "Judging Contract" which must be completed and returned by the established deadline. The contract will clearly state all qualifications and restrictions that apply to their judging category.

An announcement will be made to AMCA members soliciting names of AMCA Breeders who meet the qualification criteria for the BREEDER category. In addition, solicitation of possible AMCA Canadian or At-Large members that qualify as an ALTERNATE HANDLER JUDGE will also be made. Members that return a favorable response by the established deadline will be provided with an electronic version of the "Breeder's Contract" which must be completed and returned by the established deadline. The contract will clearly state all qualifications and restrictions that apply to the judging category.

VI. JUDGE SELECTION

Following the close of entries the selection of judges for this event will be in the form of an electronic polling system. Each paid entrant may designate the name of one (1) owner they wish to receive the poll invitation. Only the designated owner will be sent an invitation to participate in the poll by email.

The electronic poll will present a listing of eligible judging candidates for each category that have confirmed their interest in judging the event and met the Qualification Criteria and comply with the Restrictions as stated in Section IV of the rules.

The electronic poll will ask each designated owner to provide the names of one (1) AKC judge, three (3) Breeder judges, and one (1) Handler judge. An owner's nomination is NOT restricted to the lists provided; write-ins are allowed and MUST conform to the criteria stated for the appropriate judge category and abide by the Restrictions as stated in Section IV of the rules.

Following the closing of the electronic poll, each judging candidate will be contacted by the Event Chair to verify their qualifications and confirm they are available and willing to judge if chosen. All qualified judges names will then be given to a disinterested person, designated by the Event Chairperson, who has absolutely no connection to the event. Random draws for each category will then take place until one (1) AKC judge, three (3) Breeder judges, and one (1) Handler judge have been selected. The person drawing will sign a statement to the effect that he/she has no connection with the event and that the selection was completely at random.

Upon conclusion of the random draw, the event chairperson will then contact each of the five (5) judges chosen to verify their availability. If any judge selected is not available, or does not meet the criteria in Section IV or are disqualified by the restrictions in Section IV above, another selection will be made and another statement will be signed that this is the second (or subsequent) selection. The Event Chairperson will notify those not chosen that their names were not selected in the random draw.

No judge shall disclose to anyone that they are on the final judging panel of this event. The judges will be introduced at the Top 20 Event. Ring stewards shall not disclose the names of any of the judges prior to the start of the event.

VII. CATALOGS

A catalog will be printed for this event. No advertising will be allowed in the event catalog. The catalog must include, but is not limited to, the following:

- A. The cover shall consist of the Top 20 EVENT logo, the words TOP TWENTY EVENT, the event date and city where the event is held.
- B. A list of the final Top 20 dogs in descending order and a listing of the Top 20 dogs that are participating for the current year.
- C. A two-facing page spread of each entrant in the final Top 20 standings who has paid the required fee. The catalog pages for each participant will be published in a first received, first presented order and be a consistent format. There will be no charge to entrants for these pages.
 1. The left-hand page shall have the name of the entrant, names of owner(s) and breeder(s) and a write-up about that dog, furnished by the primary owner (even-numbered page).
 2. The right-hand page shall have a full body photo of the entrant and a four (4) generation pedigree, including the dog's date of birth (odd-numbered page).
 3. Each dog will be issued an armband number that will correspond with the odd-numbered page of the entrant in the event catalog.
- D. A copy of the scale of points used for the competition is printed in the catalog to encourage this discussion among the audience during the event.

VIII. MANDATORY MEETING FOR OWNERS/EXHIBITORS/HANDLERS & ORDER OF COMPETITION

A mandatory meeting will be held prior to the event at a time and location determined and announced by the committee. Sufficient notification of any change to the time or location of this meeting will be announced. The purpose of this mandatory meeting is to establish the competition order in which each entrant will be presented in the ring and provide specific instructions regarding the event.

Only one (1) representative, per dog, shall be allowed at the mandatory meeting. This representative may be an owner or the person exhibiting/handling the entrant.

Competitive Order will be determined as follows:

- A. Attendance will be taken to determine if ALL entrants are represented.
- B. If one or more entrant is NOT represented the following procedure will be followed:
 1. One (1) absentee: This exhibit will automatically be given the #1 spot in the competition order and will be the first dog to be presented in the ring.
 2. Two (2) or more absentees: The armband/catalog page number for each absentee will be placed in a box and will be drawn to determine their competition order. The first absentee's number drawn will compete first; the second absentee's number drawn will complete second, and so forth until all absentee numbers are assigned to a competition order.

- C. After absentees have been assigned their competition order, completion of the drawing will be conducted to determine the competition order in which the remaining dogs enter the ring.
- D. Numbers will be prepared for the actual number of dogs represented at the meeting.
- E. If there were NO absentees the numbers for the draw will start with #1 through the # needed to accommodate the total number of entrants (i.e.; 15 entrants will require placement of #1 through #15 in draw). If there were absentees those competition order #'s will be eliminated from the draw (i.e.; two (2) absentees will eliminate #1 and #2 from the draw).
- F. Drawing of those present will be conducted based on the Top Twenty Final Ranked Standings as follows:
 - 1. The highest ranked dog entered will draw first; followed by the next ranked dog in descending order (i.e.; #1, #2 and so on.
 - 2. In the event of a tie in the final standings, each dog that is ranked equally will be placed in a separate box and the event chairperson will draw to determine who draws first.
- G. After the competition order has been determined, the competing dogs will be divided into groups for the individual judging portion of the competition.
- H. Each owner/exhibitor/handler representative will be provided with a document that describes the RING PROCEDURE that will be followed for the event.

IX. SCORE SHEETS AND DETERMINATION OF WINNER(S)

The panel of five (5) judges selected will conduct the judging of the event. Prior to the start of the event, each judge and ring steward will be provided with the RING PROCEDURE DOCUMENT along with a SAMPLE SCORESHEET. The Event Chairperson will address any questions presented by the judges or ring stewards.

Each entrant shall be evaluated individually in his/her relationship to the breed standard, using a scale of points as stated in the event catalog. Points must be scored in whole points only. The dogs are observed from a positive approach, they are NOT fault-judged.

Prior to any hands-on examination a Judge's "First Impression" score will be recorded. The judge must look at the entrant as a whole and place the dog on a scale of up to 100 points. The higher the score means that the exhibit is in perfect harmony with the Judge's picture of the ideal Alaskan Malamute. The "First Impression" score will only be used in the event of a tie. When Judges have completed their scoring of an entrant, they will be required to sign the score sheet and turn the score sheet into the ring steward who will check for accuracy and immediately place it in the envelope provided. No score sheets shall be tabulated by the judges or stewards.

A tabulation committee will be formed consisting of the Top 20 Event Chairperson, one other committee member, the Top 20 Statistician, and one Board Member selected by the Top 20 Committee.

Scores will be tabulated immediately following the conclusion of the event. The high and low scores for each dog will be discarded and the remaining 3 scores will be averaged to determine the winner.

The dog with the highest score will be declared the TOP TWENTY WINNER. In the event of a tie, the "Judge's First Impression" score will be used to break the tie, with highest average placement being declared the winner. If the tie cannot be broken in the aforementioned manner both dogs will be declared winners. Additional award(s) will be provided at the committee's earliest convenience.

The TOP TWENTY WINNER will be announced the evening of the event.

In the event a judge is determined to be disqualified after the competition has been completed, but before the score sheets are tallied, that judge's score sheet will be discarded for each entrant and the remaining scores will be totaled to determine the winner. Because all judges have signed a contract or agreement before being eligible to judge, after the score sheets have been tallied there will be no recourse from any entrant regarding the winner.

Completed score sheets will be provided to the exhibitor of each entrant in the Top 20. The scores will not be made public by anyone involved with this event. If the owner wishes to publish the dog's scores, it will be at his or her own discretion.

X. PEOPLE'S CHOICE AWARD

An annual "People's Choice" award will be presented. To determine the winner of this award, ballot tickets will be sold or distributed as determined by the committee. All ballot tickets must be turned in by the conclusion of judging and prior to the dogs being called back into the ring for the reading of their biographies. Ballot tickets will be tabulated and the winner announced immediately prior to the announcement of the Top Twenty Winner.

XI. FUNDRAISERS

The Top 20 Committee retains the right to establish additional fundraiser events in any given year. The primary purpose of any fundraiser is to provide financial support for the event to cover expenses and help reduce entry fees for the participants.

The event committee may charge a nominal spectator admission fee person for those spectators who do not attend the Top 20 hospitality function. In any year when admission may be charged, entrants in the Top 20 event shall receive four (4) complimentary tickets for admission only.

XII. CANCELLATION OF EVENT: At any time the entry drops below 12 entrants, the event may be cancelled for that year.
