**DOG BLOOD-, HAIR- AND BUCCALSWAB SAMPLES IMPORTED FOR  
RESEARCH PURPOSES FROM OUTSIDE OF THE EUROPEAN UNION**

Samples have been collected from privately owned pets.

Samples are delivered only for research purposes. The purpose of the research is to identify genes behind different hereditary diseases in dogs.

Samples can be imported without any requirements of health certificate, import license or veterinary border inspection.

On behalf of the head of the border control division  
Border Veterinarian

Lea Pessi
